

For the last 60 years, Glatt has been a worldwide leader in integrated process solutions for the pharmaceutical and related powder processing industries.

We are a leading world supplier of integrated processing solutions for customers in the area of pharmaceuticals, food processing, feeds and fine chemicals. Our products and services stand for reliability and quality worldwide. Over 1,500 employees work for Glatt at more than 14 companies and offices all over the world.

For our site in Ramsey, NJ (USA) we have an immediate opening for a:

WAREHOUSE TECHNICIAN

Job description:

- » Responsible for the transport of materials between warehouses. Daily performance of all warehouse, shipping and receiving duties as requested. Contribute to maintaining the organization, inventory, cleanliness and efficient operation of the warehouses.
- » Must have the ability to manipulate up to 100 kgs (200 lbs)
- » Cover shift deficits in the event of vacation, absence or highly productive periods

Preferred skills:

- » Experience with warehouse operations. High school graduate. Valid driver's license.
- » Computer literate. Verbal and written comprehension of the English language a must. Basic customer service skills.
- » Forklift certified. Ability to be certified in the shipment of hazardous materials.
- » Ability to work well with others. Organized with attention to detail.
- » This position is classified as a "safety sensitive" position and is subject to random drug testing.

Qualified candidates may apply to:

Glatt Air Techniques Inc., Human Resources, 20 Spear Road, Ramsey, NJ 07446, USA
